COURT-HOUSE LOCALS.

The Gable Divorce Case Taken Under Advisement.

A Five Thousand-Dollar Damage Suit by a Discharged Employee—The Divorce Record.

A. M. Fletcher has taken a judgment in foreclosure against L. D. Olin and others, in Room 3, for \$2,775.

The damage suit of Clement A. Westhoefer vs. Moritz Kaufman and others has been dismissed in Room 2.

The suit of William T. Swigert vs. the Air Line Road for damages, in Judge Howe's Court, has been dismissed.

Oscar L. Call and Lora Call are suing each other for divorce in Judge Walker's Court. They are charging each other with a majority of the sins for which divorces may be had under the statute.

In Judge Walker's room an argument on demurrer to the complaint in the case of J. L. Fatout vs. The School Board, was heard by the Court, and the matter taken under advisement. The suit is on the question of the legality of the bonds issued by the board to erect the new school buildings last summer.

Yesterday was the third day of the divorce trial of David vs. Mary J. Gable. The arguments of the attorneys were searching, and covered all the sensational points brought out in the evidence. It was late in the evening when the arguments were closed. Judge Howe took the case under advisement.

Ella Holman has filed against her husband, Joseph Holman, for support. They were married in 1882. Last November Joseph deserted his wife. He is thought to have \$150 in the hands of Theodore Bachton, for whom he has been working. Ella asks for a \$500 judgment against him to enable her to live.

John W. Sutton was arrested a few days ago for wife-whipping. The case was called yesterday in the Mayor's Court, when John concluded he did not want it tried before the Mayor, and upon being asked if it would be satisfactory if the case was sent to Squire Feibleman, replied that it would. The point to the joke was that the Mayor is sick, and Squire Feibleman is acting Mayor.

Julius W. Hinkley yesterday filed suit for restraining order against Sheriff Carter and others. Hinkley is the assignee for George S. Carrington, and alleges that sufficient notice was not given of the proposed sale by the Sheriff of Carrington's goods, and that if the sale is made it will work a loss to the creditors and waste the estate. Judge Walker granted a temporary restraining order to January 22, when the case will be heard.

Henry Elfert has filed suit against Herman Lanter and Charles Freese for slander, alleging that he has a good reputation, and up to December 24, 1884, he has been the foreman for defendants. On that date he received a letter through the mail from defendants stating that his services were no longer needed, and intimating besides the fact that his work was not entirely satisfactory; that there was a rumor which he left the chair company that their material had been tampered with. The second paragraph alleges that the substance of the alleged libel was repeated to John Smith and other good citizens by the defendants. Demand is made for \$5,000 in each paragraph.

Joseph Clouse was before the Mayor yesterday on a charge of peace disturbance. A colored man employed at the surgical institute was the prosecuting witness, he testifying to having seen Clouse throw a wine bottle and break it. Clouse paid the fine of \$1.40 because he did not know how he could make a defense. He has been a patient at the institute having come from Fort Dodge, Iowa, to be treated for spinal affection. When he returned to the institute he found that he was not wanted there, the physicians having refused to treat him any more, presumably on account of the trouble. Clouse says the boys were playing and the bottle was broken accidentally, and that there was no disturbance. He claims to have paid for his treatment at the institute and is arranging to take the matter before the courts in an action upon the contract made with the proprietors.

That Public Meeting.

There seems to have been some underhand work in the meeting that was called purporting to be in behalf of the colored citizens of this city on Thursday afternoon at 177 Indiana avenue, of which some mention has been made in the papers. The meeting was called by self-constituted leaders of the race, it being entirely private in its character. Only such persons as were known to be in favor of its action were secretly invited to attend. Only thirteen persons were present and they all chimed in, in distributing the weighty honors among themselves. No public notice was given respecting the time or place of holding the same. It now turns out that instead of being the meeting held for the purpose of electing delegates to represent the educational interest of the colored race at a pretended conference of the States, that it is a scheme gotten up by designing Republican tricksters for the ostensible purpose of burdening the laborers of our commonwealth with an over-production of 4,000 or 5,000 colored emigrants, to be distributed throughout the State.

Arrested for Forgery.

Some time since A. W. Murphy, the manager for R. L. Folk, and publisher of the Indianapolis Directory, reported to the police that a young man, who was in no way connected with his establishment, was going about among the business men of the city soliciting advertisements to appear, as he said, in the next issue of the directory. The young man, Mr. Murphy stated, had succeeded in inducing several merchants to pay him in advance, although the greater portion of them had refused to "give up" until he could produce something to show that he

was not an imposter. The police have been looking for the swindler for several days, and yesterday afternoon Captain Colbert arrested a young man filling the description given by Mr. Murphy. At the Central Station the young man gave the name of John Hall, and claimed Terre Haute for his home. He was slated on a charge of forgery, and will be given a hearing this morning.

A GLORIOUS JAM! A SURPRISING RUSH!

And all caused by our announcement of the FIVE-CENT SHOES to be sold at the

Great Plunder Shoe Sale!

It opened Thursday with the most gigantic and purely exciting rush of customers we ever had the pleasure of witnessing at either of our previous sales, and people found just what we advertised. Some came with baskets to be filled with the 5c shoes and 10c shoes, etc., etc. To use an old expression, you couldn't get within a mile of the piles of shoes so carelessly thrown on the floor.

To curb the disappointment of so many unable to be on hand at the opening, we, THIS MORNING, at NINE O'CLOCK, throw on another lot AT THE SAME PRICES! You must come early or you will not get any.

This community has had a surfeit of the closing-out-sale-style of advertising—a style that presumes largely upon the ignorance and credulity of the public. It is extremely doubtful if the returns from that variety of advertising pay for the wear and tear on common sense.

I heartily thank the public for the patronage accorded me during the past year, and will endeavor, by the introduction of new goods—keeping up the requirements of popular and fashionable taste—to merit a continuance of those favors.

In this connection I wish to say that I am now receiving my SPRING STOCK, consisting of NEW and ELEGANT DESIGNS IN BRUSSELS, INGRAIN and MOQUETTE CARPETS, and a Great Variety of the LATEST AND MOST ARTISTIC PATTERNS IN WALL PAPERS; also, large invoices of LACE CURTAINS, PORTIERES, TRIMMINGS, etc., etc. In regard to prices, all I can say is, COME AND LOOK AT THE GOODS.
